

SINDBAD E IL CAVALLO MAGICO

In the kingdom of Abyssinia the Queen of Shiba is celebrating her birthday when suddenly a mysterious man named Amar appears, he claims that his horse is enchanted and that it can fly anywhere. Intrigued by such a statement, the queen asks her son Sindbad to ride the horse. He takes off with the horse before realising that he doesn't know how to control it.... The enchanted horse brings him to an unknown country and suddenly stops in front of a palace, where there lives the beautiful princess Lala with her friend the parrot Papageno...Who is she? Which country is it? Will Sindbad ever find his own country? And what happened to the mysterious Amar? All will be revealed when you come and discover this odyssey of love and adventure:
